

Rural rollover

Milton firefighters were called out to free a male driver of a single-vehicle accident yesterday afternoon on Sixth Line, north of No. 20 Sideroad. The driver was briefly trapped in his minivan but did not sustain any injuries and didn't require medical attention after being assessed at the scene by Halton EMS. Weather was considered a factor in the crash, with the roads in the area snow and ice-covered in places. The overnight snow and morning freezing rain saw Halton police respond to numerous crashes throughout the region, although there were no reports of serious injuries. The weather also caused the cancellation of bus transportation to Halton schools yesterday, although schools remained open. Here, a police officer surveys the damaged mini van.
