

# Honour Roll 2013

A celebration of yesterday, today and tomorrow

1860-2013 - 153 Years of doing business in Milton

*The Town of Milton draws its strength from the businesses and residents who live here. From the 1700s through 2013, Milton continues to draw people to the area. Attracted by abundant resources, a positive community atmosphere and an ideal location, Milton continues to experience ongoing success and growth.*

*The Milton Canadian Champion would like to honour the individuals who have ventured into business ownership and continue to serve our community. We appreciate the efforts of business owners who strive to meet the needs of*

*the marketplace and provide our town with the necessary products and knowledge.*

*The Business Honour Roll pays homage to these businesses that are the foundation of the town-creating opportunities for employment, economic development, education and culture.*

*Take a moment to look through these pages and congratulate the businesses for their good standing and longevity in our community.*
