

Alanna Sinclair (seen here delivering her floor routine) highlighted an overall impressive performance by the Milton Springers Gymnastics Club at last weekend's third and final provincial qualifier at Base Borden. On the strength of a silver-medal showing on bars, she took second-place honours in the all-around standings in the 12-year-old Level 6 ranks. Part of a much smaller nine-year-old Level 6 division, Lexi Palka clinched overall gold, thanks to medal-winning efforts in each individual discipline. The Springers are likely to send all of their provincial team members to the Ontario championships in Windsor April 4 to 7. Before that they'll be heading to Montreal this weekend to compete at the L'International Gymnix Competition.

Atom A Twisters edge Guelph to stamp ticket to provincials

The North Halton Twisters' A atoms didn't do much scoring in their provincial qualifying series with Guelph.

But then again, they didn't have to.

In a best-of-three clash where anything less than perfection may not have been enough, Danielle Paul and Rachel Zmigrodski provided exactly that.

The Milton goaltenders were both flawless in back-to-back 1-0 victories, which stamped the Twisters' ticket to the Ontario Women's Hockey Association championships April 5 to

7 in Ottawa.

Paul earned the series-clinching shutout against the Thunder last Thursday, while Zmigrodski turned back all shots fired her way in the game-one squeaker, during which fellow Miltonian Nicole Campbell was the lone scorer. Kelly Campbell and assistant captains Lauren Carter and Sarah Hirst — also the team's leading scorer — round out the Twisters' Milton contingent.

Hirst and Paul joined the team this season from the Milton Winterhawks.

U13 Stags take silver at Ancaster tourney

Highlighted by a huge comeback win in the semifinals, the Under-13 Stags boys claimed silver at the recent Ancaster Basketball Tournament.

Trailing the Burlington Panthers by eight or more points for much of the semis, the Stags fortified their defence in the second half — with an especially strong effort by Oscar Ayala — en route to pulling out a 55-53 squeaker.

A timely turnover allowed Kamron Blake to sink the winning lay-up with just eight sec-

onds remaining, while Ali Mian led the semifinals with 14 points.

Dominic Walker's 19-point performance allowed the Stags to keep things competitive for most of the championship, but Stoney Creek proved to be too much in a 56-43 loss.

The Stags won its first two games to reach the final four.

They edged Burlington 52-50 in the tournament opener and followed that up with a 55-31 rout of the Guelph Phoenix.
