

Thinking fast

Bishop Reding Secondary School students took part in their 25-hour Think Fast event this past weekend in support of the Development and Peace organization. At left, Terrell Thomas and Katie Healy assemble a puzzle. Inset, Jessica DaSilva tries to pick up pasta with a straw.

Michael Ivanin / Special to the Champion

OUR RESIDENTS CONTINUE TO TELL US WHAT A WONDERFUL LIFE THEY ARE ENJOYING AT BIRKDALE PLACE!

Sheila and Stan already have a lot to say about celebrating life at Birkdale!

"First of all, it was the wonderful friendliness that struck us, and so we decided to choose a suite and move in."

"We've been happy we made the choice! The variety of social activities has been more than we anticipated and is simply beyond all expectations."

"The food is so good you'd think we might gain weight, but actually it's a far more balanced and nutritious diet than we've been eating. We're just very, very happy - should have moved here a year ago!"
