Welcome to Paradise

Stunning 3,381 sqft home on 2.51 acres in prestigious Enclave Woods with 90 acres of common land with walking trails to enjoy only 10 min from the 401. The backyard oasis offers a 15 x36 inground pool, large deck with hot tub, interlocking patio and a pergola overlooking the pond with waterfall and fountain. This 4 bedroom home boasts a custom maple kitchen with granite counters, oversized island and top of the line appliances, a separate formal dining room, separate formal living room with fireplace, large cozy family room with wood burning fireplace and walkout to deck and a main floor laundry room. The main floor offers 3 oversized bedrooms, 2 with en suite privileges. The large master bedroom retreat on the 2nd floor has a walk-in closet and luxurious en suite with separate shower, soaker tub and heated floors. The 2nd floor also offers an oversized den/office. The basement is fully finished with an exercise room, large rec room, 3 pc bath, kitchenette, workshop, wine/cellar and large storage room. The many large windows throughout the home offer scenic views and plenty of natural light. For more information and pictures visit www.4095serenectivedrive.com
