

Unexpected home for expectant mother

A family of Canada geese has set up a nest inside the fenced in garden centre area of Canadian Tire on Steeles Avenue. The nest was discovered a few days ago, when workers arrived the day after they had set up a garden area with wood chips. Staff have now cordoned off the area so no one gets too close to the geese. Here, Jennifer Scott shows one-year-old son Blake and six-year-old daughter Brooklyn the mother goose, who's sitting on five eggs.

Annual hike to help build local hospice

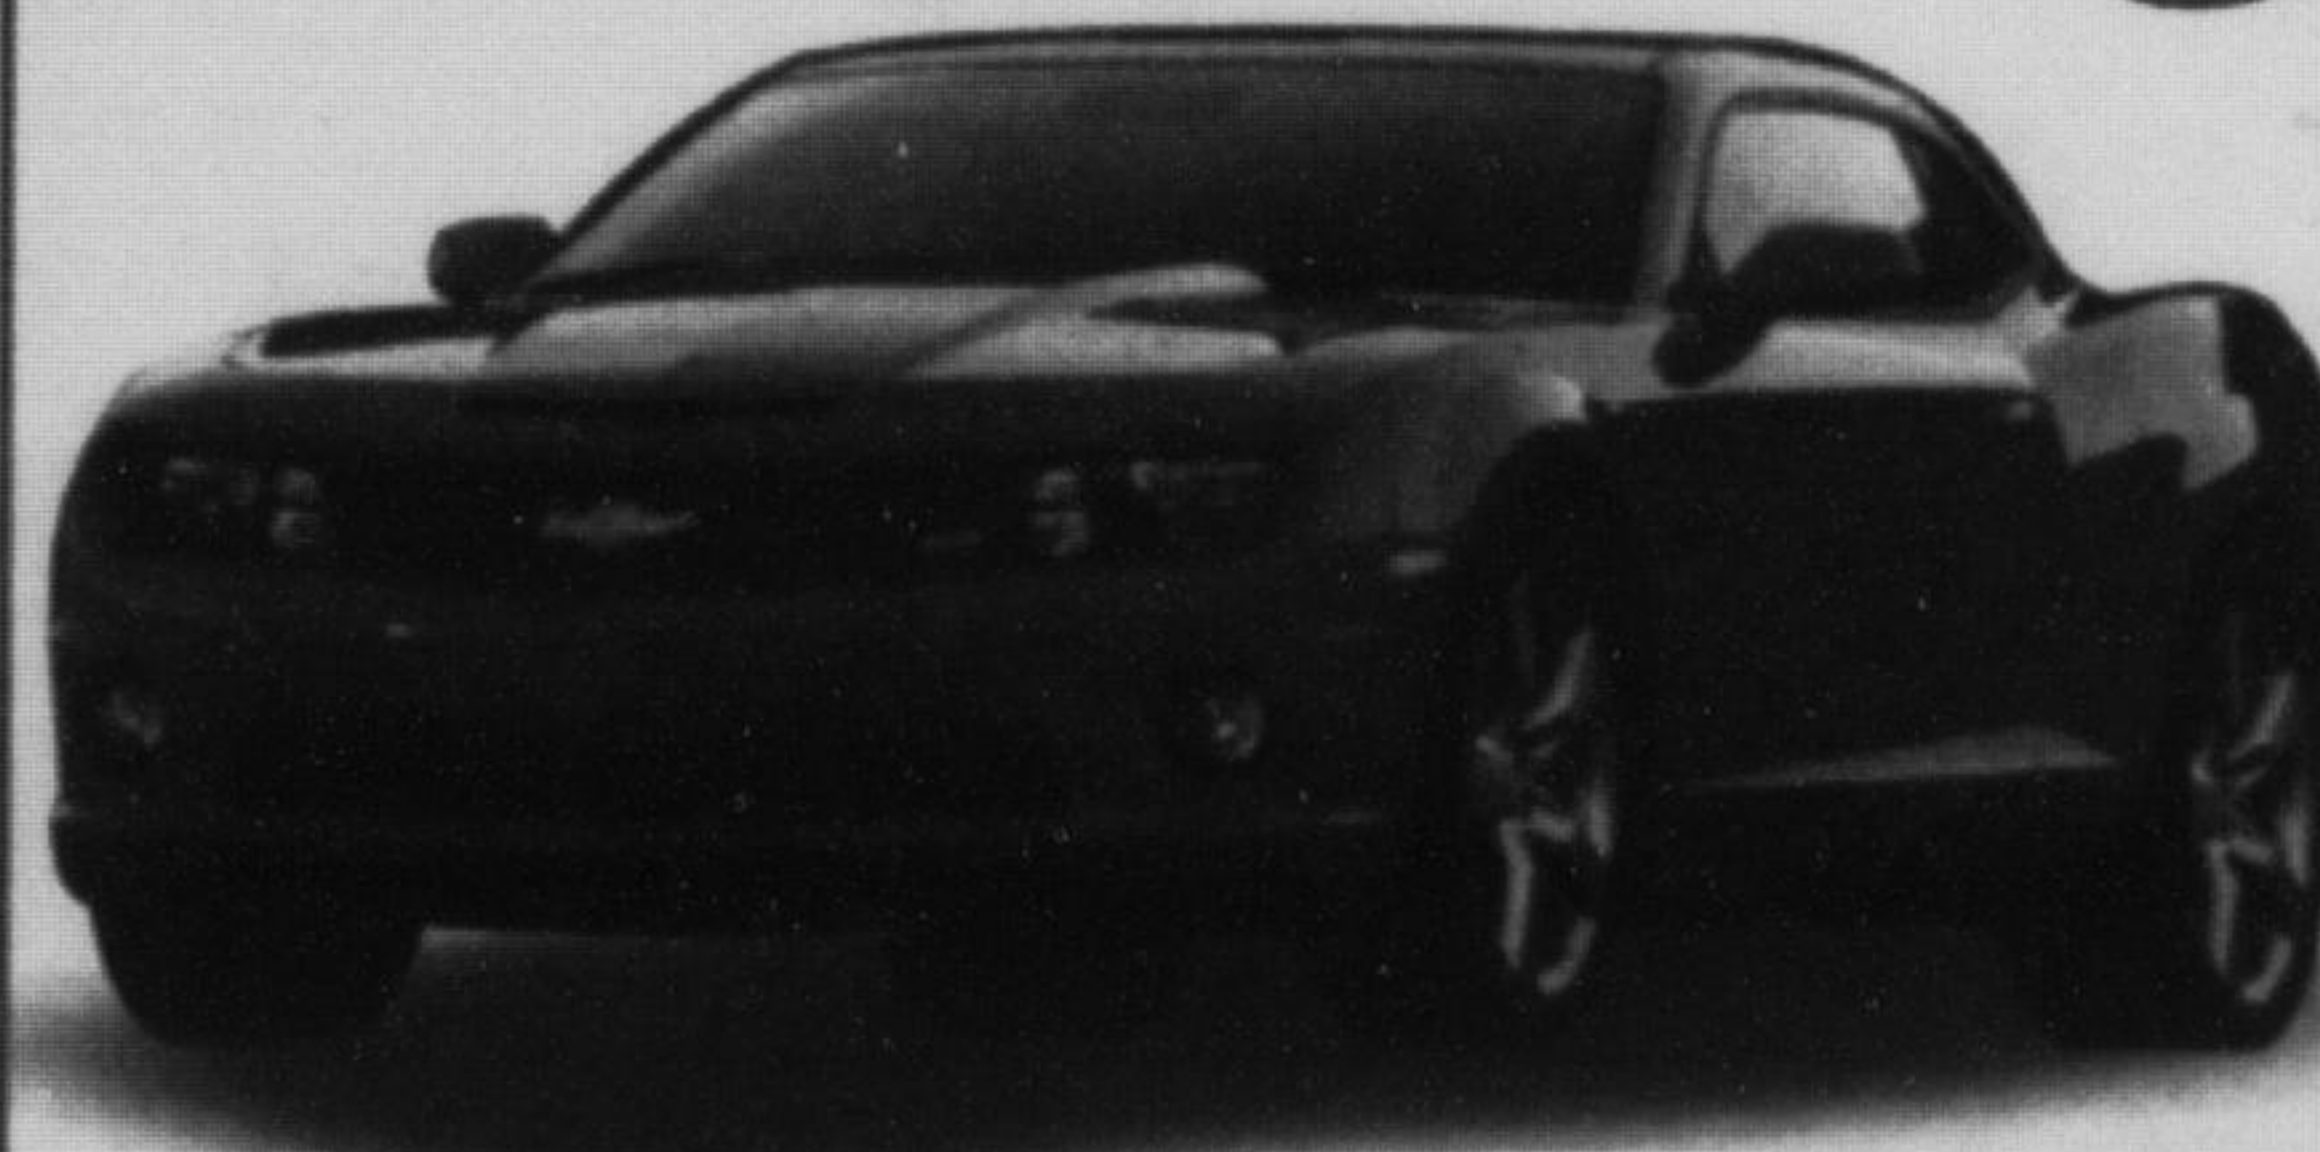

It's time to get in-gear for the Canadian Hospice Palliative Care Association's 11th annual Hike for Hospice.

The North Halton event will be held Saturday, May 25, from 10 a.m. to 2 p.m. (registration at 9 a.m.), at Hilton Falls Conservation Area.

The hike is aimed at promoting community

awareness and raising funds for hospice palliative care programs and services. Visit www.townsend-smith.ca to find out how to set up a personal fundraising site.

All proceeds will go to the Townsend Smith Foundation in support of its goal to build a hospice in North Halton.
