Halton Police continue to investigate a break-in and theft of more than \$41,000 in high-end fishing rods from a property near Darkwood Road and 10 Side Road in Nassagaweya.

Police say the break-in occurred between 11:30 p.m. on Saturday and 7:30 a.m. on Sunday. The equipment was stored in a large barn that had been used as an upscale leisure escape, or "man cave," police say. In addition to the fishing rods and

## Jewelry taken

More than \$3,000 in electronics and jewelry was taken in a break-in to a Mickey Court home last Thursday, between 12:30 and 3:30 p.m. Thieves gained entry by prying open a basement window, police say.
