Walking the walk

The annual Milton Mutt Strutt and Spring Fair, supporting the Oakville & Milton Humane Society, took over the Milton Fairgrounds Sunday afternoon. The event featured a 5-kilometre strutt around neighbouring streets and a half a kilometre stroll around the fairgrounds. Clockwise from top left is Becky Eggett with her hands full as she tries to steer her two dogs, Abby, left, and Buddy towards the strutt registration desk. The start of the 5-kilometre Mutt Strutt is led by Calgary Stampeders linebacker Yannick Carter walking with his dog Mia. Dog owners follow Carter's lead in walking their furry friends. Maggie, an 11-year-old rescued dog, takes a break prior to heading out on the half a kilometre stroll. Meghan Sayers gives her dog Tilly, 2, a pair of high fives. Tilly is a Papillon American Cocker mix.
