Epic Tour Halton fast approaching

Got what it takes to go the distance? If so, it's not too late to sign up for the biggest cycling event Milton has ever seen. PwC Epic Tour Halton — set for Sunday, Sept. 8 at and around Kelso Quarry Park — will be highlighted by the 140-km GranFondo, an Italian-oriented concept that now has thousands of similar races across North America. The event will also include the Aspire 80k, Fit 50k and Family 10k.

All races will begin and end at the quarry, with the longer races taking riders through parts of Burlington and Halton Hills. While some racers will no doubt take a competitive approach, Epic Tour Halton organizers stress that the day is aimed at promoting fitness. With that in mind, a portion of the proceeds will go to Halton Healthcare Services. To sign up or for more information, visit www.epictour.ca.
