Auditions for Treasure Island to be held

Back for another year with its Christmas pantomime, the Brightside Players will hold open auditions for its production of *Treasure Island*. They will be held Wednesday, Oct. 2 at 7 p.m. at the Milton Seniors' Activity Centre, 500 Childs Dr. Both children and adults are welcome to try out. No previous acting or theatre experience is required.

The show is an interactive spoof of a fairytale that encourages the audience to become part of the show.

That can be done by everything from boo-ing

at the villain's first appearance to warning the hero of the dangers ahead.

Brightside Players made their debut last December with *Alladin*, while this year's play will introduce show-goers to Jim Hawkins, who'll look to outwit the scoundrel Long John Silver as he vies for Cap'n Flint's treasure.

Treasure Island will run December 6, 7 and 8 at the Milton Centre for the Arts.

For more information on auditions, contact director and co-founder Lynne Wilson at brightsideplayers@gmail.com.
