# Make Thanksgiving dinner preparation a family affair

It's time to start thinking about Thanksgiving dinner preparation. For many families, this is a time when everyone pitches in to make the holiday special. From the turkey to the stuffing, the preparation is a family affair. Parents can always use an extra pair of hands in the kitchen, especially with such a big meal. Thanksgiving dinner, and when encouraged, kids can help in the preparation from shopping for ingredients, to preparing the meal, and finally, to the table.

Parents can always use an extra pair of hands in the kitchen, especially with such a big meal. Thanksgiving dinner, and when encouraged, kids can help in the preparation from shopping for ingredients, to preparing the meal, and finally, to the table. Kids can help with tasks like chopping vegetables, mixing stuffing, and setting the table. This is a great time to teach kids about food preparation and how to help in the kitchen.

Make your prep work a family affair by involving kids in the kitchen. Let them help with tasks like chopping vegetables, mixing stuffing, and setting the table. This is a great time to teach kids about food preparation and how to help in the kitchen.

**• Grocery discoveries:** Kids can help with the tasks of the kitchen, and give the very young ones a chance to help. When kids are in the kitchen, they can help with tasks like chopping vegetables, mixing stuffing, and setting the table. This is a great time to teach kids about food preparation and how to help in the kitchen.

**• Meal math:** Kids can help with the tasks of the kitchen, and give the very young ones a chance to help. When kids are in the kitchen, they can help with tasks like chopping vegetables, mixing stuffing, and setting the table. This is a great time to teach kids about food preparation and how to help in the kitchen.

**• Little chefs:** Kids can help with the tasks of the kitchen, and give the very young ones a chance to help. When kids are in the kitchen, they can help with tasks like chopping vegetables, mixing stuffing, and setting the table. This is a great time to teach kids about food preparation and how to help in the kitchen.

**• Team cleanup:** Kids can help with the tasks of the kitchen, and give the very young ones a chance to help. When kids are in the kitchen, they can help with tasks like chopping vegetables, mixing stuffing, and setting the table. This is a great time to teach kids about food preparation and how to help in the kitchen.

**• Buddy System:** Always have an adult present in the kitchen when children are helping with food preparation and ensure knives or other sharp objects and hot elements are well out of reach of little hands.
