Chudleigh has new portfolio

Halton MPP Ted Chudleigh has been named Critic of the Ministry of Colleges and Universities in the Progressive Conservative (PC) Official Opposition Shadow Cabinet.

PC leader Tim Hudak recently completed a major shuffle in the shadow cabinet portfolios in advance of an anticipated general election next spring.

"Challenges in our economy can be addressed in part by our approach to post-secondary education," said Chudleigh. "I look forward to addressing the issues in this portfolio, especially given the proximity of Halton riding to Sheridan College, McMaster University and the University of Guelph, and the interest by the Town of Milton in providing a home to a future university or a satellite campus. I have been involved with the Town of Milton effort as it has worked with Wilfrid Laurier University on developing a future campus."

Chudleigh acknowledged the role of private career colleges and apprenticeship programs, saying there was a real need to review the way post-secondary education is delivered and consumed in Ontario. He was previously the PC Critic to the Ministry of Economic Development and Trade.
