Milton's one of most generous communities in all of Canada

Dear Editor:

Re: Milton's Golfing 4 Cancer 20th Anniversary

Milton is truly one of the most generous and caring communities in all of Canada. There can be no greater example of this than the tremendous support Golfing 4 Cancer has received as we just celebrated our 20th anniversary.

To all those involved over the years: Take satisfaction in knowing your generosity has made a real difference in the lives of Milton and area residents. Thanks to you and your generous support, we're saving the lives of Milton cancer patients. The money we raise is directed toward the transportation costs of patients who have this disease in order to help them receive their chemotherapy and radiation treatments at various required hospitals. Over the past 20 years you have helped raise in excess of \$900,000.

I would personally like to thank Golfing 4 Cancer committee members Mike Boughton, Bob Hawley and John Henderson for their passion and dedication for such a wor-

thy cause. A special acknowledgment goes to Hornby Glen Golf Course and its staff for providing outstanding service. Our thanks to the Grant family for their continued support over the past 20 years. Your assistance has been greatly appreciated.

To the golfers, corporate sponsors, hole sponsors and prize donators, know that without your generosity this tournament wouldn't be the success it is today.

We would like to thank our volunteers, who were outstanding and go above and beyond making sure the day is a huge success. You are truly the heart and soul of why this tournament is successful.

The 2013 Golfing 4 Cancer committee would like to thank everyone who was involved in this year's event. Your ongoing support ensures we'll be there for patients and their families when it matters most.

To continue offering the highest level of care and medical treatment of tomorrow, we look forward to your support in 2014.

Mark Brancier, chair

Milton Golfing 4 Cancer committee

Theft of bike that was gift upsets resident

Dear Editor:

I'm really very upset. My bicycle was stolen from the front of my house. This is the second time we have had a bike stolen. My youngest daughter's bike was taken a few years back when it was left out overnight. This time my bicycle was stolen in broad daylight.

This bike was a Mother's Day gift to me. It wasn't particularly expensive, but it had a lovely big basket on the front and I took

great pleasure in riding it around town. It's ironic because the lock and key were sitting in the basket. I had parked the bike and went inside to put groceries in the fridge. When I went out to put it in the garage, it was gone. It's a reminder of how Milton is changing and we're no longer living in a nice neighbourhood in the suburbs.
