

First-year Kielburger improves to 4-0 with win over Mustangs

"A kind of success with a new program," said Aichele. "There's a lot of commitment on this team."

Tuesday's cross-town clash was every bit as lopsided as the score would indicate. MD only broke the shutout in the final minute — with Nicholas Tiensovan finding a huge hole and running back a kick return about 65 yards for the major — and didn't manage a first down until the game was well out of reach.

Quess Dayle-McPherson punched in third and fourth-quarter touchdowns from within the five-yard line, while speedy Isiah Barkley had a number of lengthy carries and one major in the mismatch. Aichele scored once himself and Trevor Chudleigh went 5-for-6 with his extra points.

Craig Kielburger has won three of its four games by at least 20 points, and has given up more than a touchdown just once this season.

With just two games remaining, the Spartans can finish no lower than third, and are likely to secure home-field advantage for the semi-finals — and could possibly earn a trip to Nelson for next

month's championship. They're currently in the middle of a two-week break before facing perhaps their biggest test of the season — Burlington's Frank Hayden, which just opened this fall — at home Wednesday, Oct. 23.

IceHawks snap skid with back-to-back wins

The Milton IceHawks snapped a seven-game losing streak and quickly started a winning streak with victories on back-to-back nights.

Kane Elliot scored with 6:31 left to break a 1-1 tie and Tyler Lewis stopped 35 shots to carry Milton to a 2-1 victory over Cobourg last Friday.

Cobourg had opened the scoring early in the second period but Karndeepp Natt evened the score midway through the period. Jake Baird picked up his first of two assists on the night while Elliot also drew a helper. Ryan Burns picked up an assist on the game winner. Milton gave the Burlington Cougars little chance on Saturday, scoring twice in the first and adding three more in the third to build a 5-0 lead. Ramon Lopez scored just 42 seconds into the game

and Elliot added a short-handed marker before the end of the period. Shane Bennett had a pair of goals in the second period and Lior Goldenberg added another as Milton stretched its lead.

Burlington scored twice in the third, the last coming with just a second to play in the game.

Ben Blacker stopped 16 shots for the win.

Alex Riche had three assists and Tyler Burns had a pair. Goldenburg, Burns, Bennett and Bryce Abraham each had one assist.

Earlier, Newmarket handed Milton its seventh straight loss. The IceHawks built a 2-1 lead on goals by Bennett and Burns but Newmarket scored five times in a span of 12 minutes in the second period on its way to a 6-3 win.
