GTW
GEORGETOWN TERMINAL WAREHOUSES LIMITED

Celebrating 50 years as a successful third-party logistics partner, we specialize in providing the publishing industry with customized distribution solutions. Located in Georgetown, we provide a wide variety of services including freight forwarding, returns processing and fulfillment. Our growth has created the need for a motivated individual as:

Assistant Warehouse Manager
to assist the Warehouse Manager with overseeing the performance, production and productivity of all warehouse operations with particular emphasis on Shipping, Receiving and Value Added projects.

Major Responsibilities

- Provide daily leadership and direction to employees in, but not limited to, the shipping and receiving functions.
- Coordinate with Lead Hands to perform/review workload planning, set performance metrics, and manage against targets.
- Develop, review and manage shipping and receiving processes and procedures that enhance value to clients, reduce costs and improve efficiencies.

Key Competencies

- 3 - 5 years of progressive experience in a similar role
- Confident decision maker and effective communicator with strong project management skills
- Proven knowledge of logistics including carriers, shipping policies and procedures and best practices
- Proficient and confident with computerized warehouse management systems, Excel and MSWord
- Proven skills in analyzing and redesigning operational procedures and process to improve efficiency.

We are an equal opportunity employer. Please email resumes to hrmanager@gtwcanada.com.
