

FLYERS: YOU EITHER LOVE THEM OR HATE THEM..... BUT HERE ARE THE FACTS!

- FACT 1...**
We can define your target market within Milton or our rural areas, and send flyers out to those homes you wish to offer your service.
- FACT 2...**
This means that you can distribute as little as 1,000 flyers, or go to each of the 27,638 homes we deliver to.
- FACT 3...**
At a cost of only \$50 per thousand, you can promote your company in your marketing area at a cost that is very affordable for any business.
- FACT 4...**
According to the Kubas Report marketing research study, 83% of households surveyed in Milton find flyer information sources useful in making buying decisions.
- FACT 5...**
75% of our readers prefer to have flyers delivered every Wednesday or Friday inserted into The Canadian Champion.
- FACT 6...**
If you want to enjoy the same response to your advertising message that our numerous regular flyer distribution customers receive, then call me. I can help you put together a program that will work best for your business or service.
