Marking a milestone

Ebenezer United Church in Brookville celebrated 190 years of continuous worship and community service October 27. The celebration included a guest speaker, guest musicians and displays of the church's history. Above, the Kitching family — including (from left) Jay, Karen, John, Audrey, Nicola and Pamela — gather for the service. The family has been part of the church for seven generations. Inset, showing their models of the church, including one of the addition, are (front, from left) Megan Evans and Grayson Webber, (back row, from left) Jennifer Cardwell, Bonnie Small, Bronwyn Webber, Dianne Cardwell and Evelyn Webber. *Eric Riehl / Canadian Champion (Follow on Twitter @halton_photog)*
