**Chief Librarian's Remarks**

Our latest newsletter featuring programs, services and resources is now available at Main Library and Beaty Branch. I hope it will help as you plan your holiday season.

A recent survey indicates that 86% of Miltonians are most satisfied with the services provided by MPL. The Milton Public Library Board, management and staff are deeply pleased by this very positive community feedback.

Thank you to everyone who provided feedback over the last several months as part of the community consultation process. This feedback will help to inform the Library Master Planning Process and plan for the future.

MPL is again approaching you all borrowing one million items. Will you be the one to borrow the millionth item by December 31?

Best wishes for a Merry Christmas!

Leslie Fitch
