Recreational Boating Feasibility and Capacity Study Open House

Thursday, December 5, 2013
7:00 – 9:00 p.m.
Halton Regional Centre
Dakota and Glenorchy Rooms
1151 Bronte Road, Oakville

Conducted in partnership between the Town of Oakville, the City of Burlington, and Halton Region, the *Recreational Boating Feasibility and Capacity Study* is taking a comprehensive look at the current state of recreational boating in the GTA/Golden Horseshoe area, with a specific focus on Halton. Presently, all marina facilities are operating close to maximum capacity and maintain waitlists.

To determine if additional harbour capacity is required within the next five to 20 years, this study is examining: changing demographics of the area; impacts of changes on demand for recreational boating; sources and location of demand; current pricing strategies; economic, social, and recreational trends, and; trends in boating types and berth requirements.

We want to hear from you! At this public open house, you will have the opportunity to learn about the study including its research and findings and next steps. The open house will begin with a presentation, followed by an opportunity for you to provide feedback on what you have seen and experienced and also to ask questions of staff and the consultants.

If you are unable to attend the open house in person, you may submit questions or comments at any time to:

'Hawks to host top German team

Memorial Arena will play host to a little international competition next week, when the IceHawks take on Germany's Jungadler All-Stars in exhibition play.

Jungadler sit atop the premier junior league in Germany and are currently on tour through southern Ontario. They'll battle the IceHawks Wednesday at 8 p.m.

Regular ticket prices apply. Stepping things up during a recent four-game road trip, the IceHawks have won five of

their last six games — thanks in large part to a red-hot Shane Bennett. Now in his last season in the OJHL, Milton's scoring leader has eight goals and four assists in his last four games — including a hat-trick to fuel Sunday's 6-2 win over Buffalo — and currently sits top-five in the league scoring race with 23 goals and 18 assists. Holding down second place in the West Division, the 15-16 IceHawks host Burlington tomorrow night at Memorial. Game time, as always, is 7:30 p.m.

Lone OFSAA victory came against UCC

Arguably the most crushing blow of the tournament came in the opening round, when the Mustangs surrendered an eight-point lead in the second set (eventually losing 27-25) that would have forced a tiebreaker against St. Catharines' Governor Simcoe — and quite possibly have changed the complexion of the division.

MD would go on to fall 25-15, 25-20 to eventual bronze-medalist Lisgar Collegiate Institute of Ottawa and then split day two, with a 25-19, 25-21 victory over Toronto's Upper

Canada College followed by a 25-16, 25-22 loss to Sacred Heart of Newmarket, who went on to claim the consolation crown. Said Middlebro, "We stuck with a lot of teams, but we just couldn't pull it out." MD had four first-year seniors in the starting lineup for most of the year, which was marked with an 8-4 record in the regular season and highlighted by an epic two-hour five-set triumph (28-26, 15-25, 26-24, 23-25, 15-11) over Bishop Ryan in the GHAC championship in Hamilton.
