Milton KIA Celebrates NEW Car Giveaway!

Milton Kia is proud to congratulate Cathy Hepburn and Terry Myers on their brand new car. Cathy and Terry purchased their 2014 Kia Rondo a couple of weeks ago during the KIA Winterfest Car-A-Day Giveaway, only to find out a day later that they had won their car! The Winterfest Car-A-Day Giveaway continues until the end of December and there are still many cars available to be won.

This is Milton KIA's second major giveaway in the past two years to Milton residents and is quickly becoming known as a lucky place to purchase your next new vehicle. In 2011, they gave away \$10,000 to another family who had purchased a new KIA Sorento from them. Milton KIA invites you to come down and see what KIA has to offer you in their great line up of new cars and SUVs.

In the picture from the right: Carl Boedecker, Owner of Milton KIA and Lisa Belanger, Secretary Treasurer of Milton KIA celebrates with Cathy Hepburn and Terry Myers of Milton on their brand new 2014 KIA Rondo along with Victor Soldia, Milton KIA Sales Manager and the Milton KIA sales team.
