Have your say on future of parks

Miltonians are invited to attend public input sessions to help shape the future of two parks. Feedback will be sought on Kinsmen Park in the Dorset neighbourhood (196 Wilson Dr. at Woodward Avenue) and Wakefield Park in the old Milton neighbourhood (139 Wakefield Rd. near Ontario Street). Two sessions will be held for each park redevelopment project. The first session will provide information about the redevelopment of the park and potential park improvements. The second session will offer residents an opportunity to review and comment on design concepts and select their preferred concept, thereby making an impact on the park's redevelopment. Details on the sessions for each

park project are listed below.
Kinsmen Park:
 • 1st session: Wednesday, Mar. 19, 6 to 8 p.m. at Town Hall, 150 Mary St., in the Milton Room
 • 2nd session: Wednesday, Apr. 30, 6 to 8 p.m. at Town Hall, 150 Mary St., in the Milton Room

Rudall said officers will also set up a number of RIDE spot checks and deploy additional resources throughout the region in an effort to identify and stop those drivers who continue to put the lives of other motorists or pedestri-

ans at risk. "I'd like to wish everybody a happy St. Patrick's Day and reassure our communities that by working together we can make a huge difference in keeping our roads safe," he said.
