

## Milton KIA succeeds with Category Excellence

*"We are really fortunate that we have been able to assemble such a highly skilled team that truly care about their clientele at Milton KIA"*

Carl Boedecker, owner of Milton KIA

When we saw Canada's amazing performance at this year's Olympic Games in Sochi 2014 we have all learned what it takes to become a winner: dedication, perseverance and relationships. Learning from those key traits and translating them into their everyday practice, Milton KIA is proud to announce their own amazing national accomplishment.

Milton KIA has won KIA Canada's top award for Category Excellence, judged by

customer satisfaction across the board from purchasing a new vehicle to their service & repair team. "We treat everyone here at Milton KIA the best we can; as we would treat our own friends and family" says Sales Manager Victor Sodja adding "We want people that do business with us to know that we are here for them and that their satisfaction is our main goal".

Milton KIA strives hard to make sure they have the best KIA offers on the floor

represented by the right people, equipped with the tools to make sure the job is done right the first time. "We are really fortunate that we have been able to assemble such a highly skilled team that truly care about their clientele at Milton KIA." This brings a level of passion rarely seen in many businesses today" says Carl Boedecker, owner of Milton KIA. "They earned this award and should be very proud of what they accomplished".

Milton KIA is Milton's newest import car
