## Artistic March Break

The Town of Milton held its annual March Break Visual Arts Camp for children last week at the Milton Centre for the Arts. The week-long camp offered a variety of creative mediums from which to choose. Clockwise from top left, Sydney Powers shows the paper maché puppy that she was working on. Davin Caratao holds up a couple of his drawings. Danica Caratao (above) adds the facial features to her paper maché animal. Olivia Pimentel cuts pieces of tape to be used on her paper maché creation. Camp staff member Siobhan Wakeham joins camper Millisabel Smikle for some painting.
