Kids' fun

The second annual Kids First Show — sponsored by Peekaboo Child Care Centre and organized by the *Canadian Champion* — was held Saturday at the Milton Sports Centre. The family-oriented consumer show featured dozens of vendors and drew more than 1,500 people. Above, Isabella Ivison gets a close look at a blue-tongued skink during the reptile show. At left, Aleena Carriere admires her flower balloon. Below left, Callum Harrison catches a toy duck in the pond. Below right, Gaia Shamoun gets her face painted. Bottom, Payne Power checks out some recently-born chicks at the Springridge Farm booth. *Michael Ivanin / Special to the Champion*
