**Lifestyle home show runs this weekend**

The Milton Lifestyle Home Show will feature hundreds of new products and services for your home.

The annual show at Milton Memorial Arena will run from tomorrow (Friday) to Sunday, Apr. 27.

Put on by Jenkins Show Productions, presented by Reliance Home Comfort and sponsored by the Canadian Champion, the event will include numerous one-time specials and lots of prizes and free draws.

Among the highlights of the show will be the

chance to win one of four cubic yard bags of gardening soil that'll be delivered right to the winners' driveways courtesy of Greenhorizons.

Visitors can also enter online (virtualhome-show.ca) to win a \$1,000 romantic weekend at the historic Fairmont Royal York in Toronto. The show hours are 3 to 9 p.m. Friday and 11 a.m. to 5 p.m. Saturday and Sunday. General admission costs \$5. Children aged 12 years and under get in free.

**CITY OF GUELPH PUBLIC NOTICE**

**City of Guelph Water Supply  
Master Plan Update/Class  
Environmental Assessment  
Community Open House #2**

The City of Guelph is updating its Council-approved **Water Supply Master Plan** to define where and how we will continue to access a safe and sustainable supply of water—for residential, industrial, commercial and institutional use—over the next 25 years.

Reviewing our existing water supply system is an opportunity for community discussion about how best to manage this vital supply so that we continue to meet the needs of the City and the local environment, and provide the high level of service Guelph residents have come to expect.

Today, our existing water supply fulfills the City's commitment to provide a safe and reliable supply of water. Our updated Master Plan will provide short-term, mid-term and long-term water supply options to meet Guelph's predicted demand for water in the future.

Our review is following the requirements of a Municipal Class Environmental Assessment (Class EA). When we are finished—after our Water Supply Master Plan Update is reviewed by the Guelph community and approved by Council—we will have identified constraints and opportunities related to our existing water supply system. The input provided at this community open house will help the team evaluate alternatives with the objective of developing the preferred water supply alternatives and implementation strategy.

**You're invited  
to attend**

You're invited to drop into the second Community Open House at any time between 6–8:30 p.m. to learn more about the Water Supply Master Plan update, and to speak to project staff, ask questions and provide comments. A short presentation will begin at 7 p.m. to provide an overview of the progress to date, and will be followed by a formal question and answer session.

**Tuesday, April 29  
6–8:30 p.m.**

Formal presentation at 7 p.m.  
Council Chambers  
City Hall  
1 Carden Street

To find out more about the project, visit [guelph.ca/water](http://guelph.ca/water) and follow the Water Supply Master Plan link, or contact:
