

FLYERS: YOU EITHER LOVE THEM OR HATE THEM..... BUT HERE ARE THE FACTS!

FACT 1...
We can define your target market within Milton or our rural areas, and send flyers out to those homes you wish to offer your service.

FACT 2...
This means that you can distribute as little as 1,000 flyers, or go to each of the 30,900 homes we deliver to.

FACT 3...
At a cost of only \$50 per thousand, you can promote your company in your marketing area at a cost that is very affordable for any business.

FACT 4...
According to the Kubas Report marketing research study, 83% of households surveyed in Milton find flyer information sources useful in making buying decisions.

FACT 5...
75% of our readers prefer to have flyers delivered every Thursday inserted into The Canadian Champion.

FACT 6...
If you want to enjoy the same response to your advertising message that our numerous regular flyer distribution customers receive, then call me. I can help you put together a program that will work best for your business or service.
