Dragon boat races coming to Kelso

Kelso is set to welcome back the dragon boats.

On Saturday, May 24 the annual Lively Dragon Boat Race will be held at the local conservation area — where teams of 20 will vie for bragging rights and show their support for Allendale Long Term Care Facility and adult day programs.

Since its 2002 inception, the event has raised more than \$92,000.

The event will run from 8 a.m. to 5:30 p.m. and will include a barbecue, family activities and, of course, lots of boating competition.

There's still time to enter a team, and those wishing to join in can do so by contacting the Lively Dragon Boat Racing Club at www.lively-dragon.com.

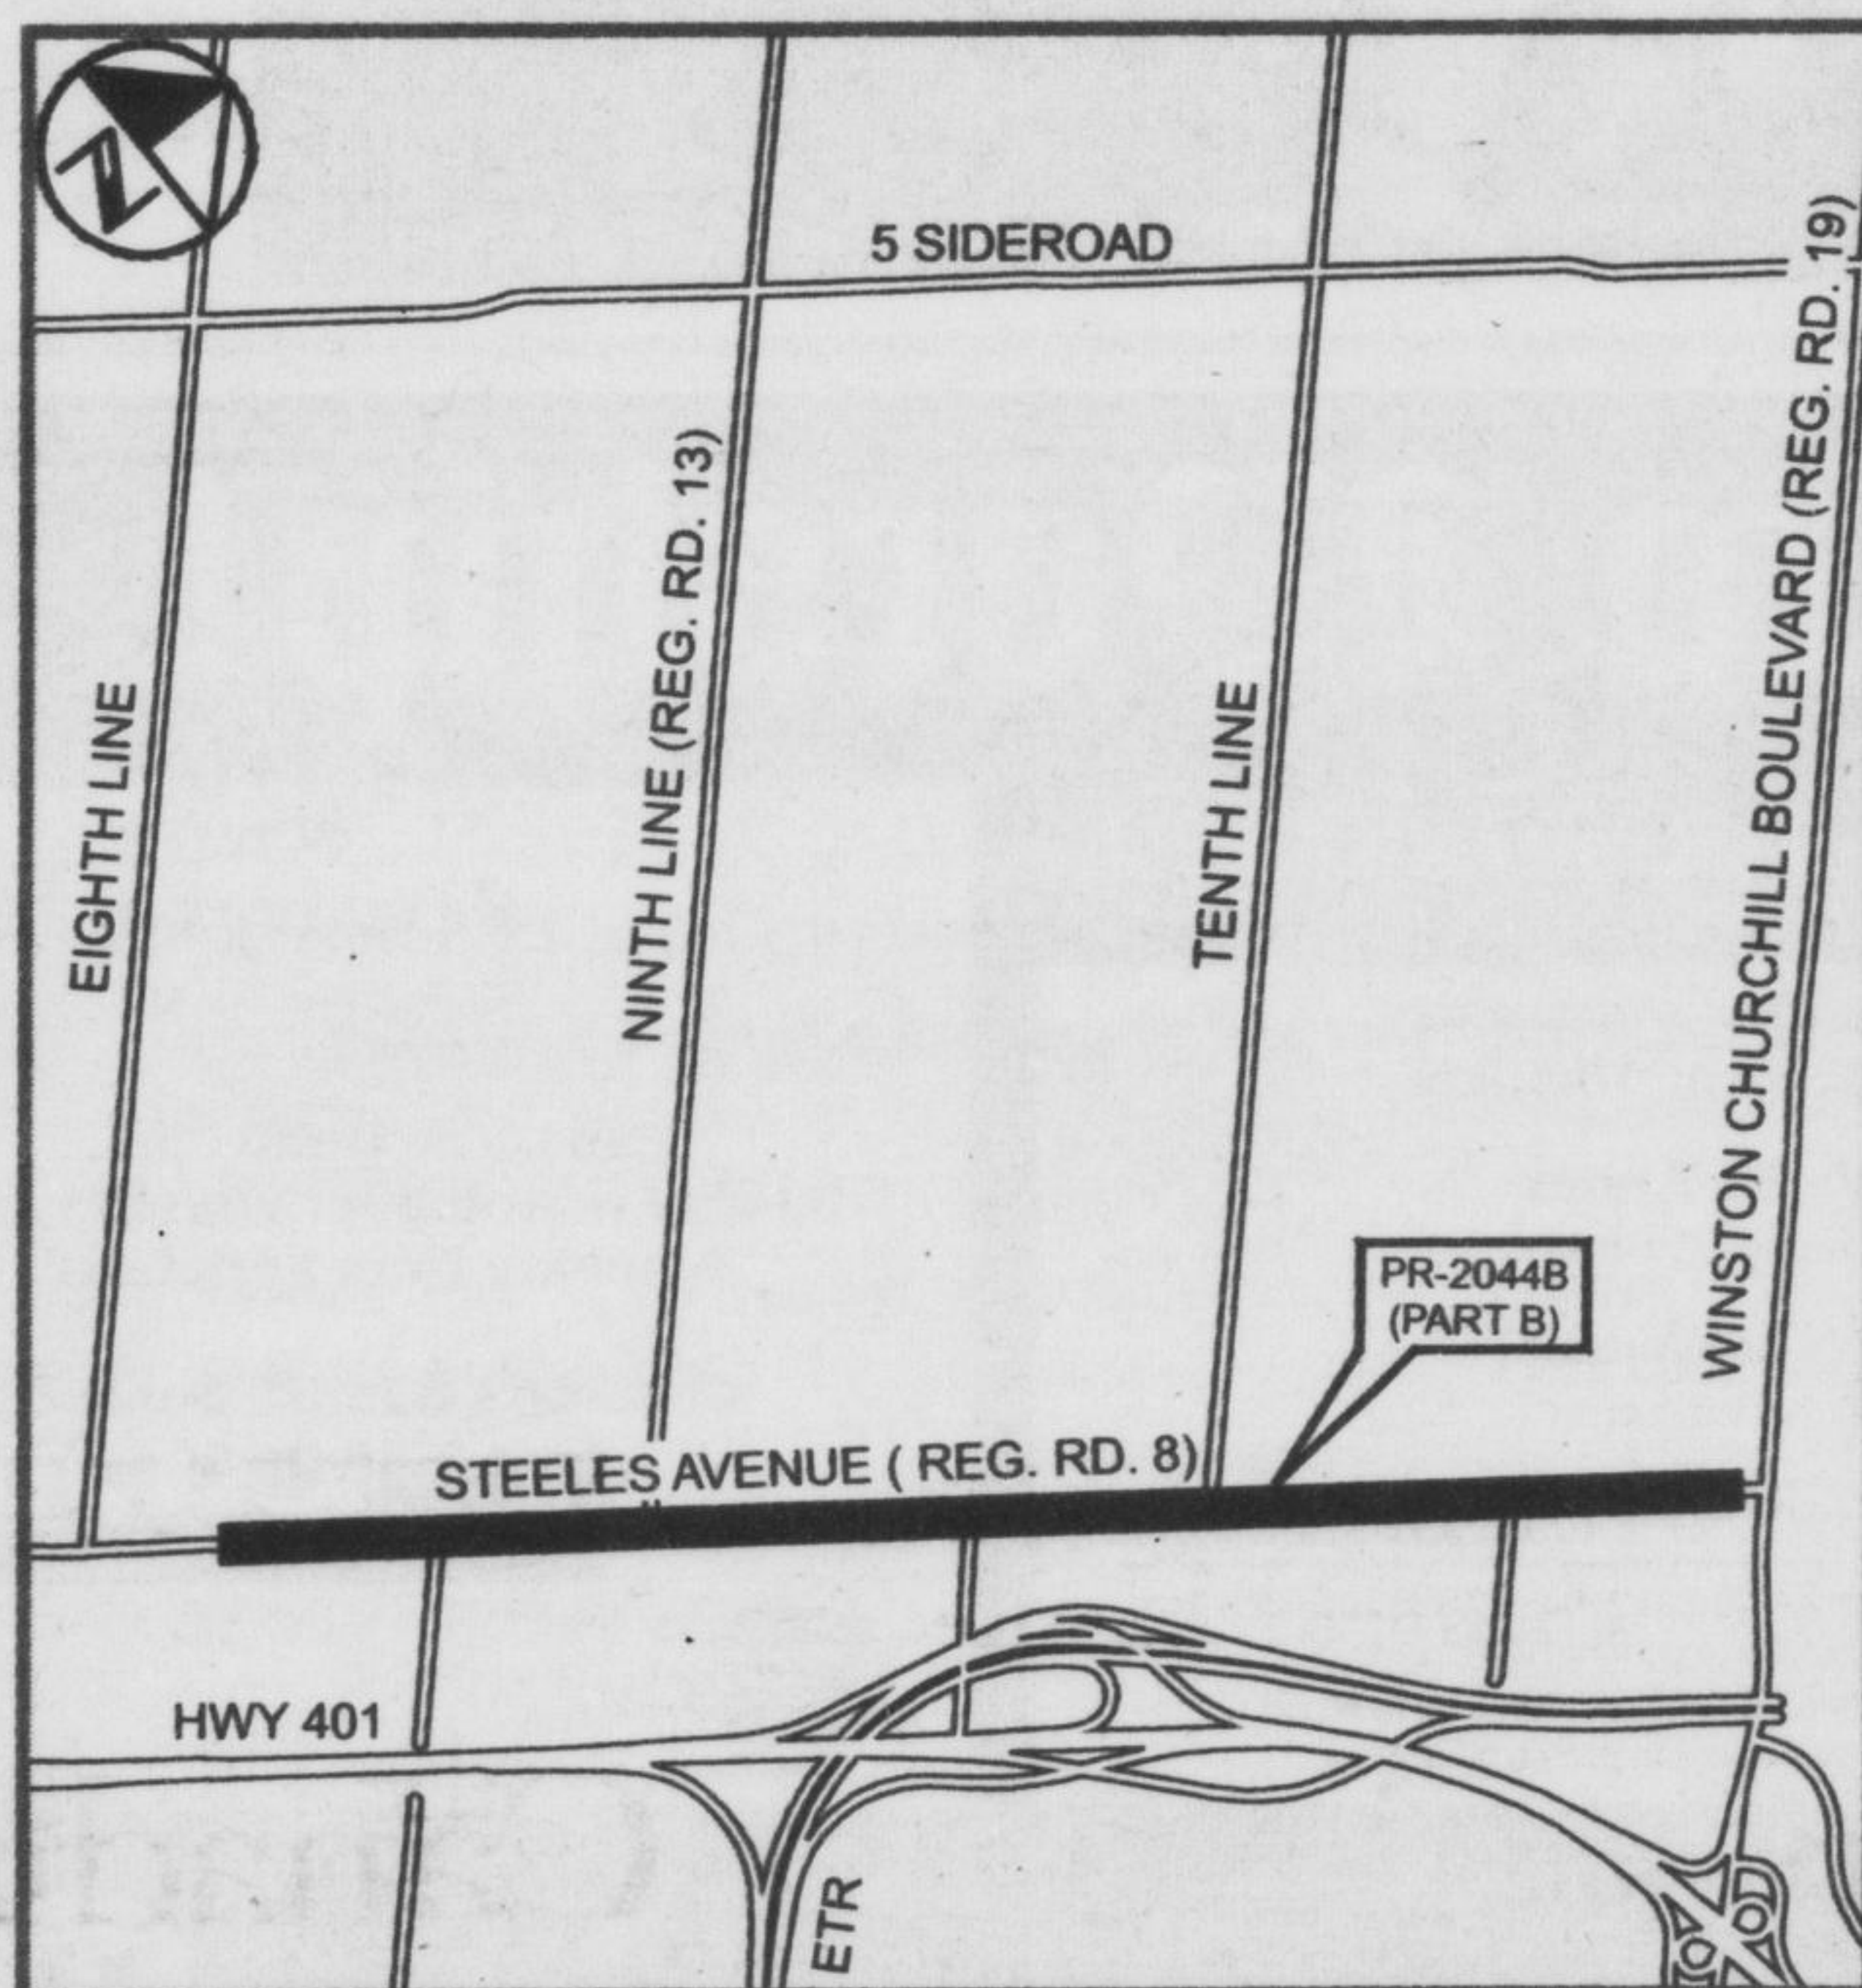

Paddles, lifejackets and boats will be provided.

ONTARIO ENERGY BOARD NOTICE TO CUSTOMERS OF Milton Hydro Distribution Inc.

Milton Hydro Distribution Inc. has applied to raise its electricity distribution rates. Learn more. Have your say.

Milton Hydro Distribution Inc. has applied to the Ontario Energy Board for a temporary increase of approximately \$1.54 per month for a typical residential customer for 18 months, beginning on November 1, 2014. Other customers, including businesses, may be affected as well.

The requested rate increase is related to recovering costs arising from damage caused by an ice storm in late December, 2013.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Milton Hydro's request. We will question the company on its case for a rate increase. We will also hear arguments from individuals and from groups that represent Milton Hydro's customers. At the end of this hearing, the OEB will decide on what, if any, increase will be allowed.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

BE INFORMED AND HAVE YOUR SAY

- at the end of the process, review the OEB's decision and its reasons on our website.

The OEB intends to consider cost awards in this proceeding that are in accordance with the *Practice Direction on Cost Awards* and are in relation to Milton Hydro's request to recover costs arising from damage caused by an ice storm in late December, 2013.
