Blaze destroys farm buildings

Fire ripped through multiple buildings late Saturday night at a local farm. Shortly before midnight, crews from the Milton Fire Department with assistance from Rockwood firefighters responded to the blaze at First Line and No. 25 Sideroad, where the buildings were fully engulfed in flames. No one was injured and the fire caused rough-

ly \$60,000 damage. Firefighters were able to save one of three buildings, which housed property including farm equipment and hay. Crews were on the scene throughout the night due to the intensity of the blaze in the large main barn. The cause of the fire remained undetermined at press time.
