

More than \$3,000 raised

Master Mechanic recently presented a cheque for \$3,135 to Cancer Assistive Services of Halton Hills (covering Milton area). The funds came from residents making donations to sign a pink 1987 Cadillac that Master Mechanic owner Rob Vanderheyden used in this year's Milton Fall Fair demolition derby. Here, Cancer Assistive Services volunteer driver Patricia Stocks (left) and Cancer Assistive Services Director of Operations Sheila Smith (right) accept the cheque from (from left) Vanderheyden, son Chris Vanderheyden and Master Mechanic's Ryan Fitzpatrick and Mike Doiron. *Justin Greaves / Canadian Champion (Follow on Twitter @halton_photog)*

ROTHERGLEN SCHOOL
WHAT SCHOOL SHOULD BE

OUR STUDENTS LOVE COMING TO SCHOOL!

Rotherglen's Primary Campus, fondly referred to as the "Yellow School" provides an exceptional Montessori environment for students in their formative years from Casa (age 3) to Grade 1. Small classes, experienced teachers and individual attention means our students love coming to school. Our bright and spacious classrooms provide the hands-on learning tools they require in a nurturing environment where students have the freedom to learn and explore to help them grow intellectually, physically and socially.

Give your child a Rotherglen education.
