

## Elect Tony Lambert

for Town & Regional Councillor wards 1,6,7 and 8

### Vote For Me, I will:

#### 1. Stop the Infrastructure Planning Mistake at the Milton GO Station

The province requires Milton's population to grow by another 80,000 in 10 years, or 40,000 more motorists. Currently Milton GO station's parking lot is full by 7:30am during the week. The province states there is no time-line to add more parking for 18 years. Without more parking, commuters to work will have to be at the GO station much earlier than 7:30am to find parking. I will

work very hard with the province to be fair to us regarding growth and this issue by resolving this infrastructure planning mistake.

#### 2. Address the Potential Increase In Air Noise

North Oakville residents recently experienced a significant increase in air traffic noise. I will ask NAV Canada to inform us of upcoming changes in air noise so we can be informed before any changes.

#### 3. On-Line Voting/Voting From Home

Voters could have had the convenience of voting from home in this election. I believe voters should have that choice, so I will re-introduce this issue, that I voted for but was defeated at council last year.

#### 4. Address Speeding In Our Neighborhoods

Work with the town, province and other stake holders to bring more resources to address speeding.

#### 5. Keep Property Tax Increases To A Minimum

While on council our region had one of the lowest tax increases in Canada. I will continue to resist high property tax increases while protecting services.

#### 6. Wilfred Laurier University

While on council I endorsed a Wilfred Laurier campus in Milton. I will continue to advocate to the province to locate the campus here.

#### 7. Be Accessible To You

Each year I have brought my annual newsletter to you in person because I believe it is important to meet you and hear your views of our community. I will continue to do this so I can meet you personally. I live across from the Milton Sports Center a few hundred feet from ward 7. I will continue to bring my newsletter to you in person.

### Marking a milestone

Main St. Yarns celebrated its 10th anniversary this past weekend, with a cake and special sale items. Here, the store's Holly Pinzin (left) shows a wool cowl as fellow employee Judith Limbrick displays a basket of balls of yarn, out front of their new Main Street location, just west of James Snow Parkway. *Graham Paine / Metroland West Media Group (Follow on Twitter @halton\_photog)*
