

Town of Milton awarded for budget presentation

The Town of Milton has been awarded for its 2014 budget presentation.

For the ninth year in a row, Milton received the Distinguished Budget Presentation Award for this fiscal year.

The Government Finance Officers Association of the United States and Canada (GFOA) presented the award to Mayor Gord Krantz at a recent town council meeting.

"On behalf of Milton council, the Town is honoured to receive this distinguished award once again. It is a true reflection of Milton council and staff's ongoing commitment to providing a fiscally responsible government," said Krantz.

The award is handed out to municipalities that satisfy internationally recognized guidelines for their budget presentation. The budget must function as a policy document, a

financial plan, an operations guide and a communications device.

The Town also received Special Capital Recognition after receiving positive ratings from a review panel on the capital budget expenditures and on the impacts of capital improvements on future budgets.

"I would like to thank Town council and staff for their hard work and dedication in preparing the budget every year and also the GFOA for making this distinction possible," said Linda Leeds, the Town's director of corporate services and treasurer.

The GFOA is a non-profit association serving 17,600 government finance professionals throughout North America. The award is the only national award program for government budgeting.
