Chief Librarian's Remarks

Christmas for me is about music, being with loved ones, and having a mandarin orange in the toe of my stocking. I hope that everyone finds joy during this very special time of year.

It has been another very exciting year for MPL and I am proud of all that has been accomplished through the passion of staff, assistance of Town staff, the dedication of the Milton Public Library Board, and the support of Town Council, to meet the very real needs and expectations of our exceptional community.

In January MPL's achievements will be communicated in the 2014 Annual Report and I encourage you to have a look.

Also why not pick up a copy of our latest newsletter to see upcoming programs for all ages from January-March? Or you can visit www.mpl.on.ca

Merry Christmas and Happy Holidays everyone.
