

Ontario Council of Hospital Unions regional vice-president Kevin Tyrrell and personal support worker Dorothy Winterburn show the report 'Long Term Care in Ontario: Fostering Systemic Neglect' unveiled during a recent press conference at the Royal Canadian Legion Milton branch. *Julie Slack / Canadian Champion*

OCHU report alleges 'chronic understaffing' at long-term-care facilities

By Julie Slack
CANADIAN CHAMPION STAFF

Residents living in long-term-care (LTC) facilities are suffering because of understaffing, unions representing the workers allege in a

scathing report. The 65-page document written by the Ontario Council of Hospital Unions (OCHU) says numerous deficiencies leave many Ontario seniors depressed and at greater risk of illnesses.
