NEWS AND INFORMATION FROM MILTON DISTRICT HOSPITAL

FEBRUARY 2015

Get Involved as a Patient or Family Advisor

We're looking for both Patient and Family Advisors to be part of our team (see photo on left). Immediate opportunities are available on our newly launched Patient and Family Advisory Council as well as some special project work across

our organization. To qualify, you must be a patient and/or, a family member or caregiver of a patient who has received care at any HHS hospital within the past two years.

Are you interested in working in partnership with our hospitals to create a more patient and family centred care environment and experience?

For more information, please contact Patient Relations at 905-845-2571, ext. 6578 or visit our website: www.haltonhealthcare.com and apply online.

HHS Recognized as Local Food Champions

Halton Healthcare Services (HHS) was recently recognized as Local Food Champions in the Broader Public Sector by the Ontario Greenbelt at the 2015 Local Food Symposium in Niagara-on-the-Lake. The award recognized HHS and its Good For You, Locally Grown Food Services project for its innovative approach to adding more local food to hospital menus and successfully leading the way to create systemic changes in the public sector by increasing local food awareness.

Presentation of Award (left to right) Anita Stewart, Author & Culinary Activist, University of Guelph; Elma Hrapovich, Director, Clinical Nutrition & Food Services, Halton Healthcare Services; Marianne Katusin, Manager, Operational Readiness, Food Services, Halton Healthcare Services; Burkhard Mausberg, CEO, Ontario Green Belt Fund

HHS Energy & Facility Renewal Program

Enhancing the overall patient care experience, greening our facilities and improving the energy efficiency of our facilities are important to us. That is why HHS has embarked on an Energy and Facility Renewal Program in partnership with Honeywell. This program is focused on upgrading our building infrastructure, conserving energy, reducing operating costs and lowering environmental emissions; all contributing to an enhanced environment for our staff and the patients we serve.

The proposed savings of this Energy & Facility Renewal Program across HHS will be approximately \$193,000 per year.

Are You Eligible For OHIP-funded Physiotherapy? Available at Work-Fit Total Therapy Centre

You may be eligible for OHIP-funded physiotherapy offered through Work-Fit Total Therapy Centre at MDH if you have a valid Ontario Health Card (OHIP), a doctor's or a nurse practitioner's referral and one of the following:

- If you are 19 years of age or younger, or 65 years of age or older
