Chief Librarian's Remarks

I am delighted to report that a new edition of our newsletter is available for pick-up at MPL that highlights resources, programs and events for everyone.

With March Break just around the corner, MPL has an exciting line-up of activities planned. Kids can enjoy games and crafts with a bike flair for the 2015 Pan Am Games, and a *Frozen*-inspired party, while teens can build a LEGO robot, create a one-of-a-kind notebook, and participate in a creative writing workshop.

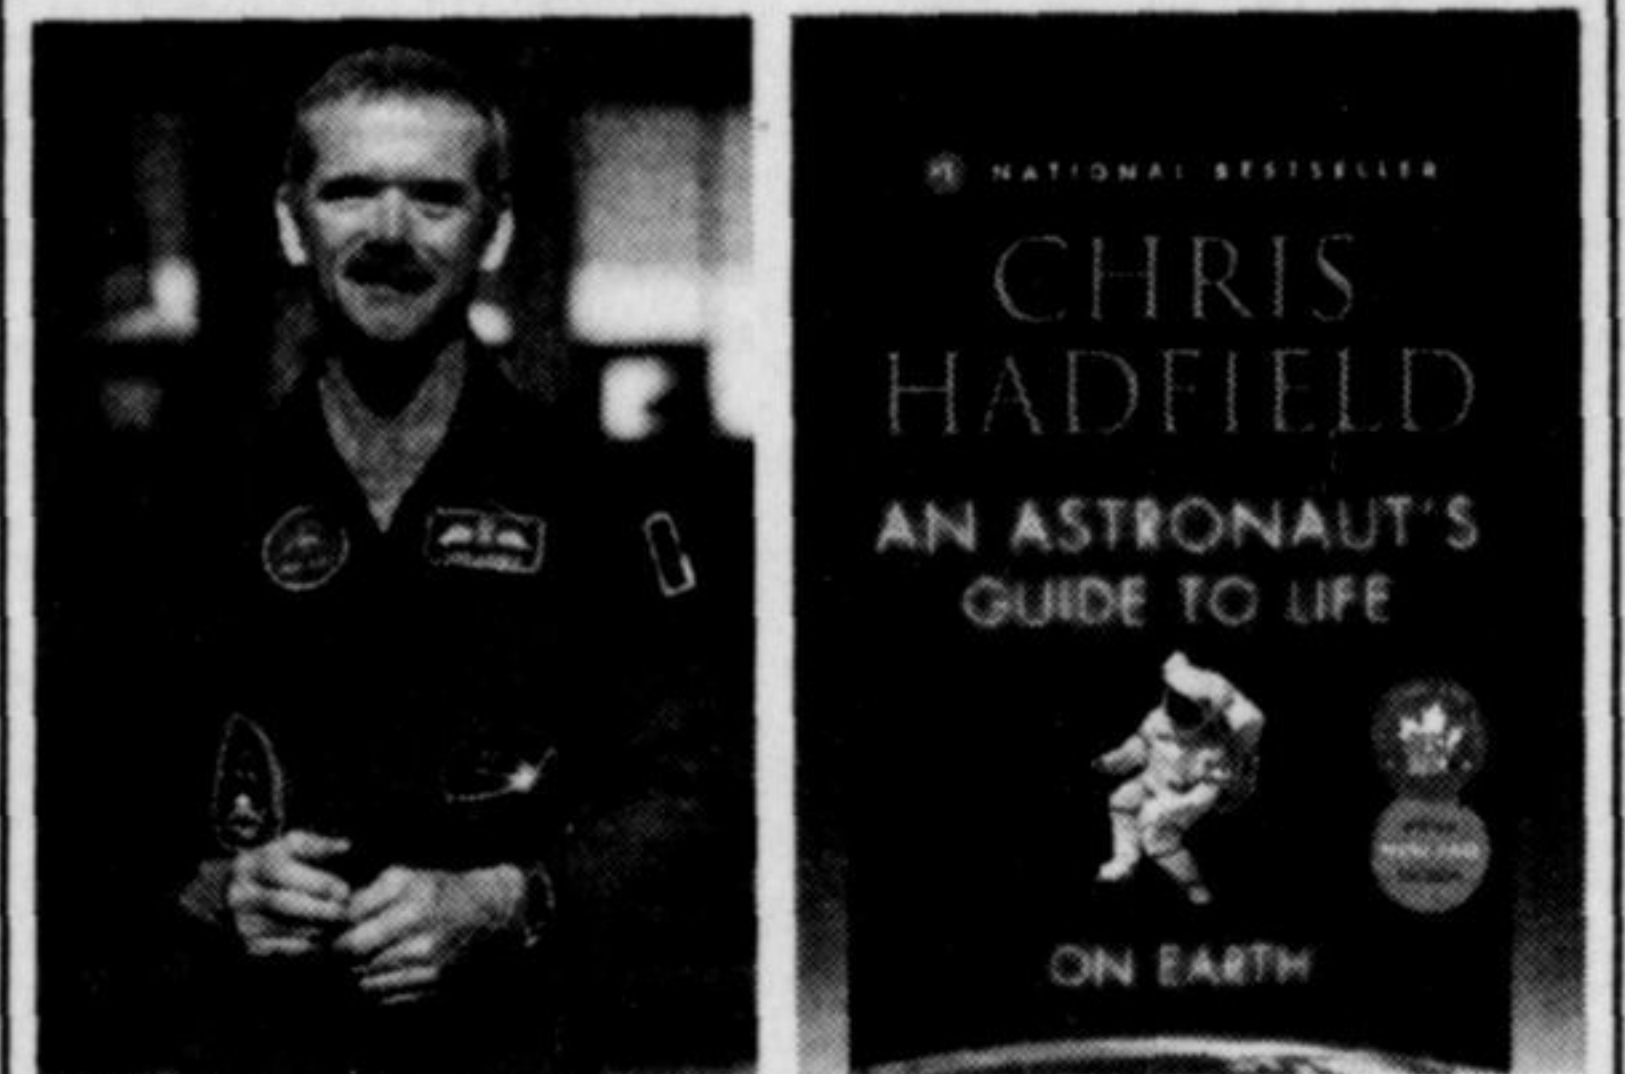

By now I hope you already know that MPL will be hosting Colonel Chris Hadfield on May 25! His book, *An Astronaut's Guide to Life on Earth*, is this year's *One Book, One Milton* title. Please visit www.onebookonemilton.ca for more information.

My reading project continues. I've now read *My Antonia* by Willa Cather, and am half way through *Les Misérables*. I look forward to chatting with you again next month.
