Honouring our top Canadians

The new It's An Honour! cross-country traveling exhibit — recognizing those who've earned extraordinary achievements with honours such as the Order of Canada and decorations for bravery — made a stop at Milton District High School Monday and Tuesday. The display was made possible with a grant from the Taylor Family Foundation and features a hologram message from former astronaut and native Miltonian Chris Hadfield. Above, students Thomas Johnson (left) and Duncan McCallum check out part of the display. Inset, exhibit manager Francois Grenier welcomes visitors.
