

The Marion Singers set to perform at St. Paul's church Saturday

The Marion Singers, a popular a capella choir from Toronto, will perform at St. Paul's United Church on Saturday at 7:30 p.m.

"Let's plan a terrific concert to celebrate your new space," said Maria Ringo, manager of the Marion Singers and a first soprano in the choir.

For 20 years the vocalists have donated their talents for not-for-profit groups, such as St. Paul's, which has just undergone a major rebuild.

The choir is a 16-voice ensemble. Its concerts include a mixed repertoire of musical styles. The fellowship and events team at St. Paul's has requested "delightful spring music." The intimate atmosphere the singers create

in concert with close harmonies will be a treat for music lovers, say organizers. The Marion Singers are conducted by Tony Browning, currently the director of music at Trinity Anglican Church in Aurora. Tickets cost \$20 for adults and \$10 for students, and are available at the church office, by calling (905) 878-8895 or at the door.

Frog Watcher's Hikes at Mountsberg

Croaking frogs is one of the sure signs — or rather sounds — of spring.

They're currently singing in full chorus, and Conservation Halton invites local residents to take in the experience with its annual Frog Watcher's Hikes at Mountsberg Conservation Area.

They'll be held tomorrow (Friday) and Saturday from 6:30 to 8:30 p.m.

Visitors can take a 'Swamp Tromp' to search for

reptiles and amphibians, with outdoor educators showing how to distinguish between some of the most common species found in the region.

There will also be visits to the pond, as well as a puppet show.

The cost is \$16 for adults and \$11 for seniors and children aged five to 15.

Mountsberg is located on Milborough Line, 5 km west of Campbellville.
