Shedding their locks to help cancer-stricken children

Cousins Shaela Missud (left) and Ciara Dahl, both 8, recently had 12 inches of their lengthy locks cut at Just 4 U hair salon. They donated the hair to Angel Hair for Kids in support of children battling cancer. The girls came up with the idea to help children who had lost their hair about a year and a half ago and had been growing their hair for the 'big cut' ever since.
