Sign-up for Halton's heat and smog warnings this summer

Halton residents can sign up to receive heat and smog warnings through our website at halton.ca/heat. By staying informed, we can remain safe and healthy and take steps to protect ourselves, our neighbours and those most vulnerable in our community.

When there is a warning, protect yourself by avoiding outdoor activities or planning ahead if you must be outside. It's very important to drink plenty of water, take frequent activity breaks and use sun protection.

By staying informed, we can enjoy all that Halton has to offer this summer.

Gary Carr
Regional Chair

On the move

Scott and Rebekah Churchill and two-year-old son Chase take part in their second annual Walk for Hope Sunday at Bronte Meadows Park. The walk is in memory of their daughter Hope, who died of spina bifida and hydrocephalus. *Nikki Wesley / Metroland West Media Group (Follow on Twitter @halton_photog)*
