

Showcasing their work

Photographers of the Fine Arts Society of Milton held their Aperture Photography show and sale at the Mohawk Inn and Conference Centre Saturday. Here, Justin Magalona (at left) and Shane McDermid (above) show some of their work. *Nikki Wesley / Metroland West Media Group* (Follow on Twitter @halton_photog)

CHAPPIE, 1 YEAR OLD, AMERICAN BULLDOG, MALE NEUTERED

Hello, my name is Chappie. It's nice to meet you! I am a happy-to-lucky boy and am full of playful energy. I am a working breed dog, so I need a lot of physical and mental exercise to stay happy and fulfilled. I hope my new family loves to be outside! If you're interested in adopting me, please ask to see me today!

GEORGINA, 5 YEARS OLD, DSH, FEMALE SPAYED

Hello my name is Georgina! I am a sweet girl looking for a nice quiet home to relax in. I can be a bit shy at first, but once I warm up to you, I love to get head rubs and ear scratches. I am a calm, easy-going lady and I just love being brushed! If you sit down with me, I'd love to sit in your lap and get cuddles. Ask to get to know me today!

SHERBERT ADULT, BUDGIE, FEMALE

Hello! My name is Sherbert and I am a Budgie. Budgies are agile little birds that make great companions, however, we are not a short-term commitment. The average lifespan of a budgie is 8 to 10 years and there have been those that have lived as long as 20 years. To ensure your budgie has a long and happy life they will need to be provided with a clean cage, daily exercise, a healthy diet including fresh fruit and vegetables daily plus plenty of activity and companionship. Are you looking for a great companion? Because I'm your girl!
