

MILTON TIME CAPSULES

Hyman leaves \$500 in her will for the construction of new wing on youth home

Time Capsules are gems of information extracted from past issues of the Champion and other publications in order to provide a window into Milton's past.

January 1921

The late Sophia Hyman's will is being proved. She left \$500 to the Children's Aid Society of Brampton, which is affiliated with that of Halton, the money to be used in or toward the building scheme for the erection of a wing to the Gordon Home, the trustees to name the wing after the testator. Legacies of \$1,000 each go to five other institutions for the benefit of children or adults.

(The wing was later built on the Gordon Home, corner of Court and Main St. Milton and was used as part of the Children's Shelter until it was closed in 1936 and children placed with foster families.)

Milton Shoes Ltd. resumed manufacturing operations within the last week, thus reducing unemployment and increasing the amount of money in circulation. The Milton Worsted Yarn

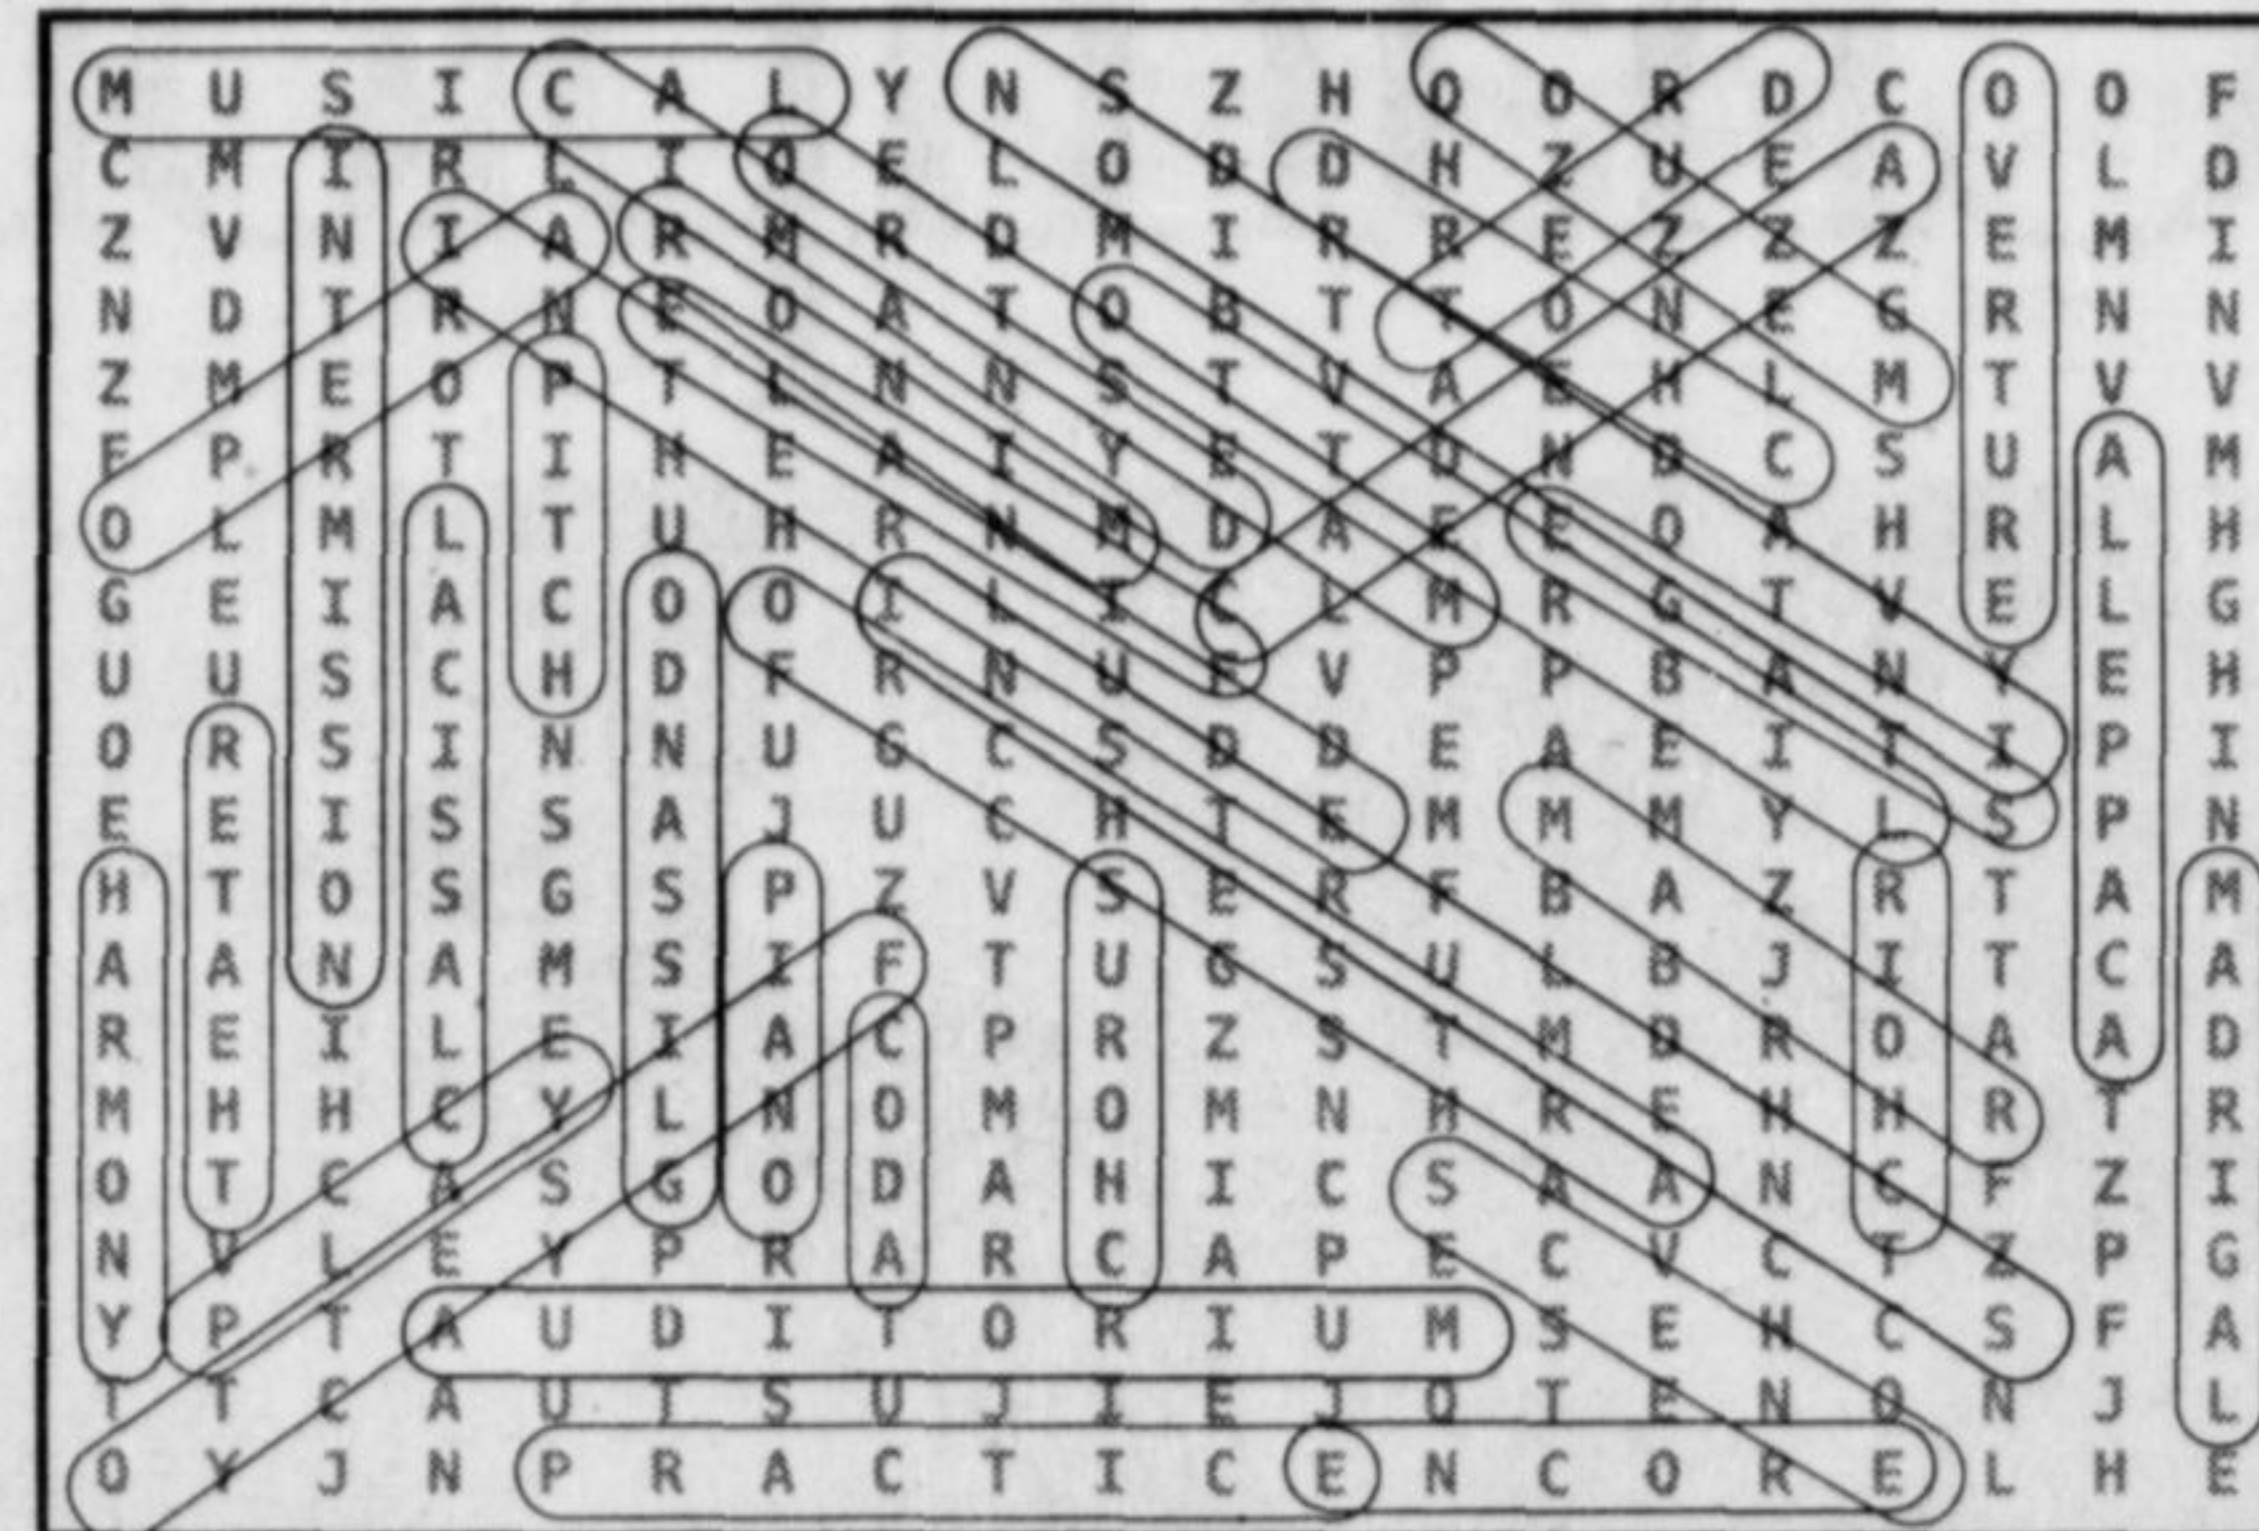

Spinning Co. will open next week, with a full quota of employees. It is hoped that all Milton industries will be busy when spring opens.

Milton intermediate hockey club lost their first championship game last Tuesday evening to Osgoode Hall at Toronto by a score of 10 to 4. Both teams were badly out of practice and condition owing to the mild weather. Milton was the worse off, having had only two practices.

Every seat in the Princess Theatre was taken last Thursday evening for the performance of the comedy, "Won by Wireless," under the auspices of the Methodist Sunday School including their stage manager and instructor Russell B. Hawthorne, who played the leading part. Music was by the Wheeler orchestra. The receipts were \$150.

This material is assembled on behalf of the Milton Historical Society by Jim Dills, who can be reached through the society at (905) 875-4156.
