

## MILTON TIME CAPSULES

### Improvements suggested for public school

Time Capsules are gems of information extracted from past issues of the Champion and other publications in order to provide a window into Milton's past.

March 1921

On Monday visitors' day, the pupils of the public school did fire drill and other exercises in the presence of parents and others. The visitors discussed proposed improvements, among which will be new lavatories, which it is understood will be installed as soon as the weather permits. The parents will organize

and occasionally meet the teachers and Miss Alexander, the health nurse, to discuss educational and health topics. It was decided to ask Mrs. Ada Courtice, President of the Provincial organization to visit Milton in the near future.
