

Cancer society needs volunteers

Various opportunities include driving, serving on planning committees

The Halton branch of the Canadian Cancer Society is currently seeking volunteers to fill a number of roles, including serving on the planning committee of two upcoming Milton events.

In February, the organization is planning to host Family Snow Day, eh! — a new event featuring a variety of activities for the whole family, including snacks, treats and hot beverages.

The Society is looking for volunteers to serve on the February 21 event's planning committee to help execute the Family Snow Day, to be held at Country Heritage Park.

Additional volunteers are needed to sit on the planning committee of the Milton Relay for Life, the organization's signature fundraiser scheduled for June 27. Energetic, dynamic and passionate individuals who have a few hours to dedicate each month are encouraged to join the event's leadership group. Volunteer drivers are also needed to assist those undergoing cancer treatments get to and from appointments.

Drivers, according to the non-profit organization, are well-trained and supported in their role, and are important ambassadors for the Canadian Cancer Society.

For more information about the various volunteer opportunities, interested residents should contact Sandy McDonald at smcdonald@ontario.cancer.ca or (905) 845-5231 ext. 3163.

TOGETHER, WE ARE POSSIBILITY

Milton. Diverse. Strong. Growing.

A community of well planned parks & neighbourhoods. A community with so much 'good' to offer. Let's all do our part to keep it that way.

THINK TOGETHER.

ALL THAT KIDS CAN BE

Young minds; they're wonderful. Full of ideas and soaking up knowledge like they are sponges. Inspiring, guiding and investing in the children and youth of today, will build a more positive and balanced community for tomorrow. United Way Milton funds numerous agencies focused on developing kids now and throughout their journey into adulthood.
