Remembering Larissa and Girts
Forever in our Hearts

What if the brilliant twinkling stars that bring the dark night sky to life are windows looking out of heaven.

And at the very moment, when you are wishing on those stars, Hoping Larissa and Girts, who you lost, are happy, safe and free - Maybe they are looking at those same stars from the other side, Making the same wish for us, reminding us of their love.

Wishing you Cindy, Damian, Trudy and Diane the comfort of loving memories and that you will always be connected to Larissa and Girts so close to your hearts.

If love could have saved you Larissa and Girts,
You never would have died.

GRACI, Yolanda Rita

In memory of Yolanda Rita Graci, who passed away January 4, 1998

How many wishes can one make blowing out candles on a birthday cake
one wish I always make that's true
For one more day, to spend with you
With every year that passes by
You'd think that less and less I'd cry
I'd fill an ocean with every tear shed
Wishing you'd be home instead

Eighteen years, how time flies by
Your nephews are now seven and five
Yolanda Rita, know that it's true
I always make my wish for you!

- Love, Mom, Dad, Charlie, Angela
and your nephews Guiseppe and Salvatore xo xo
