

Coming Fall 2017!

Milton Oldstars Hockey Club

The Milton Oldstars Hockey Club has a long history of support for the Milton District Hospital Foundation. In 2013 the club pledged an impressive \$60,000 to the Our Home, Our Hospital Campaign for the Expansion of Milton District Hospital. Their cumulative giving over the years amounts to over \$310,000 to date.

The club raises funds in support of the hospital through hockey tournaments, golf tournaments and other fundraising activities. In 2012 the Milton Oldstars Hockey Club and MDH Foundation established the Brian Brady Award in his memory. Brian Brady served the Milton District Hospital in the capacity of CEO and was a director on the Board of the Milton District Hospital Foundation. Annually presented to the longest standing Community Partner with the MDH Foundation, the Brian Brady Award was presented to the Milton Oldstars Hockey Club in 2013 as the first recipient.

Milton Centennials Hockey Club

In September 2016, the Milton Centennials Hockey Club made a pledge of \$15,000 to the Our Home, Our Hospital Campaign for the Expansion of Milton District Hospital. As a local sports club, the Milton Centennials are no stranger to the Milton District Hospital Foundation. Over the years, the club has supported the Milton District Hospital through the sponsorship of several golf tournaments. Longtime member, Henry Brinke quoted "This is a major expansion and will mean better healthcare for our community. The Milton Centennials Hockey Club feel that everyone truly can be a part of the new hospital expansion and we are thrilled to show our support!" With this gift, the Milton Centennials Hockey Club set an example for other groups and organizations to get behind the fundraising campaign to purchase the necessary equipment for the hospital expansion.

Milton Centennials Hockey Club 2016

David Gallinger

The need to support our local hospital expansion is clear for local Milton resident David Gallinger and has been generously demonstrated with a gift of \$50,000 to the Campaign. "My dad purchased a business in 1967 and the growth in last 49 years has been overwhelming at times. We all need our hospital. Our family has been lucky with our health, however anyone with children or aging parents know that in times of crisis having a well-equipped hospital to turn to is paramount."

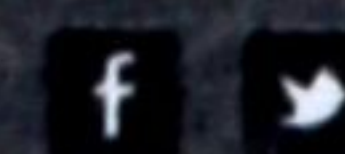

"It is truly exciting to watch our community come together in support of our beloved hospital. This is a special time for everyone to join in the excitement and be a part of it!"

- Helen Vatisas, EXECUTIVE DIRECTOR
