

Lots to see at lifestyle home show

The annual Milton Lifestyle Home Show was held recently at Milton Memorial Arena. Clockwise from top left, two-year-old Charlie Hibbitt checks out a train at the Halton County Radial Railway booth. Donna Barr of Magic Window Innovations demonstrates how to open her windows. Less Mess' Elisabete Andrade holds up some soil and black bark mulch. Home show-goers explore the various booths.

What if...?

A sign posted in my office space reads: What if you woke up tomorrow with only the things that you thanked God for today?

Talk about a tough question... yet it compels me to be more thankful for the blessings of today!

Gratitude begins as an attitude. Learn more about the transformative power of saying thanks by visiting a local house of worship this week. Meeting times and locations may be found in the Religious Directory to help you.
