

## Celebrating National Nursing Week

Caring, compassion, and dedication are just a few of the admirable qualities our nurses at Halton Healthcare exemplify. The ongoing efforts of this extraordinary group to achieve clinical excellence and enhance the patient experience demonstrates their commitment to their chosen profession, their community and Halton Healthcare as a whole. They care and advocate for their patients with unwavering commitment to fulfill our vision of providing exemplary patient experiences, always. Congratulations to the following nursing award recipients who were recognized at the Halton Healthcare Nursing Awards Gala:

## Are you a donor?

Did you know there are over 1,600 Ontarians waiting to receive lifesaving organ and tissue transplants? Halton Healthcare works closely with Trillium Gift of Life Network (TGLN) to raise awareness of the importance of organ and tissue donation and encourage donor registration through support of the "Be a Donor" campaign. Just one donor has the power to save up to eight lives through organ donation and up to 75 through the gift of tissue donation. Register now through [beadonor.ca/campaign/haltonhealthcare](http://beadonor.ca/campaign/haltonhealthcare). TGLN is a non-profit organization that promotes, plans, and coordinates organ and tissue transplants in Ontario. Register today. For more information, please visit [beadonor.ca](http://beadonor.ca).
