Sherman Qiu of Bishop Reding Secondary School and Jean Vanier Catholic Secondary School's Maryyam Niazi each received a Governor General Bronze Medal.

Announcing Milton's top scholars

Milton is home to two outstanding scholars. Bishop Reding Secondary School student Sherman Qiu and Maryyam Niazi, of Jean Vanier Secondary School, are this year's recipients of the annual Governor General Bronze Medal — an honour awarded to the graduating student with the highest average from each secondary school. The average is calculated based on a student's final marks in all Grade 11 and Grade 12 courses, as listed on their official Transcript of Grades issued by the

Ministry of Education. Qiu earned a 97.6 per cent average while Niazi managed a 94.1 per cent academic average. "We are so proud of the extraordinary achievements of our students," said Paula Dawson, the Halton Catholic District School Board's director of education. "Receiving this medal of honour is truly a noteworthy accomplishment, which demonstrates the unwavering dedication and commitment to excellence in our award recipients."
