

Pretty crafty

The Milton Farm Craft Show was held this past weekend at Country Heritage Park. Clockwise from top left, Nolan Melo and mom Deidre Scholtz check out children's wood art. Vladimir Gorodkin of Key to Imagination plays the tymbaly. Gayle Williams (left) and Ann Murrell shop for jewelry. Craft show goers browse through the various stalls. Jim Ballantyne of Moose Bear Artistry creates some copper wire art. *Franki Ikema / Special to the Champion*
