Commissioner

Department of Crown Lands
Survey Branch
Toronto, May 15th 1882

Instructions to Provincial Land Surveyor W. O. Johnston
to survey the Township of Hugel in the District of Nipissing
into lots of three hundred and twenty acres each.

Sir

I have to instruct you to proceed to the Township
of Hugel, and to survey the same into lots of three hundred
and twenty acres each in accordance with the projected plan
herewith transmitted for your guidance, the lines to be
run being shown in red ink.

This Township is bounded as follows, on the East by
the Township of Badger, surveyed last year by P. L. J. Butter,
on the ^{North by} unsurveyed land of the Crown, on the West by the Township
of Hatter about to be surveyed by T. L. J. H. Bolger, on
the South by the Township of Kirkpatrick, about to be surveyed
by T. L. C. D. Bonneau. You are herewith furnished with
a tracing of part of Badger and a copy of Plan of
Caldwell.

If any portion of the Canadian Pacific Railway
passes through the Township show it on your Plan.

The regular lots are to have a depth of eighty
chains, and a width of forty chains, and are to contain
an area of three hundred and twenty acres each. The lots
are
